

Personal Data Processing Policy

1. General Provisions

This Personal Data Processing Policy establishes the procedure for the processing of personal data and measures to ensure the security with respect to personal data undertaken by the TURBO JUMP TOKEN (TJT) service (hereinafter referred to as the "Operator") and applies to all information that the Operator may obtain about visitors to the website <https://tjt.pro>.

2. Basic Rights and Obligations of the Operator

2.1. The Operator shall have the right to:

— Receive reliable information and/or documents containing personal data from the subject of personal data;

— In case the personal data subject revokes his/her consent to the processing of personal data, as well as if he/she submits a request to stop processing of personal data, the Operator shall be entitled to continue processing of personal data if there are grounds provided for by applicable legislation;

— Independently determine the composition and list of measures necessary and sufficient to ensure fulfillment of the obligations established in accordance with the applicable legislation.

2.2. The Operator shall:

— Provide the personal data subject, upon their request, with information concerning the processing of their personal data;

— Organize the processing of personal data in the manner prescribed by applicable legislation;

— Respond to appeals and requests of personal data subjects and their legal representatives in accordance with the requirements established by applicable legislation;

— Report the necessary information to the authorized bodies for the protection of the rights of personal data subjects upon their request;

— Take legal, organizational and technical measures to protect personal data from unlawful or accidental access thereto, destruction, modification, blocking, copying, provision, dissemination of personal data, as well as from other unlawful actions in respect of personal data;

— Stop transfer (dissemination, provision, access) of personal data, cease processing and destroy personal data in the manner and cases stipulated by applicable legislation;

— Perform other obligations.

3. Basic Rights and Obligations of Personal Data Subjects

3.1. Personal data subjects shall have the right to:

— Receive information related to the processing of their personal data, except in cases provided for by applicable legislation;

— Request the Operator to clarify their personal data, block or destroy them if the personal data are incomplete, outdated, inaccurate, illegally obtained or are not necessary for the stated purpose of processing, as well as to take measures provided for by applicable legislation;

— Withdraw consent to the processing of personal data, as well as to submit a request to stop the processing of personal data;

— Exercise other rights provided by applicable legislation.

3.2. Personal data subjects shall:

— Provide the Operator with reliable data about themselves, as well as clarify (update, change) their personal data.

3.3. Those who have provided the Operator with inaccurate information about themselves or about another personal data subject without the latter's consent shall be held liable in accordance with the applicable legislation.

4. Personal Data Processing Principles

4.1. Personal data processing is carried out on a lawful basis.

4.2. Personal data processing is limited to the attainment of specific, predetermined and legitimate purposes. Personal data processing incompatible with the purposes of personal data collection is not allowed.

4.3. It shall not be allowed to merge databases containing personal data

processed for incompatible purposes.

4.4. Only personal data that is relevant for the intended purpose of processing is subject to processing.

4.5. The content and scope of processed personal data correspond to the stated purposes of processing. Redundancy of processed personal data in relation to the stated purposes of their processing is not allowed.

4.6. When processing personal data, the accuracy of personal data, their sufficiency and, where appropriate, relevance in relation to the purposes of personal data processing are ensured. The Operator shall take the necessary measures and/or ensure that they are taken to remove or clarify incomplete or inaccurate data.

4.7. The storage of personal data is carried out in a form that makes it possible to identify the personal data subject, not longer than required by the purposes of personal data processing, unless the period of personal data storage is established by applicable legislation, contract to which the personal data subject is a party, beneficiary or guarantor. The personal data processed shall be destroyed or anonymized when the purposes of processing have been achieved or when it is no longer necessary to achieve those purposes, unless otherwise provided for by applicable legislation.

5. Personal Data Processing Purposes

- Providing feedback to the personal data subject using the contact data provided by them with a view to rendering consulting and service support;
- Evaluating and analyzing the effectiveness of the website, conducting research on demand, attendance of the website sections, popularity of the website functionality, examining the satisfaction level of the personal data subject regarding the work of the website;
- Conducting statistical and other research based on depersonalized data.

6. Personal Data Processing Conditions

6.1. Personal data processing is carried out with the consent of the personal data subject to the processing of their personal data.

6.2. Personal data processing is indispensable for achieving the purposes set out in this Policy, for the administration of justice, execution of a judicial act, act of another authority or official, for the execution of a contract to which the personal data subject is a party or a beneficiary or guarantor, as well as for the conclusion of a contract upon the initiative of the personal data subject or a contract under which the personal data subject will be a beneficiary or guarantor, as well as for the exercise of the rights and legitimate interests of the Operator or third parties or for the achievement of socially important purposes, provided that the rights and freedoms of the personal data subject are not violated, or for the purposes of processing personal data subject to publication or mandatory disclosure under applicable legislation.

7. Procedure for Collection, Storage, Transfer and Other Types of Personal Data Processing

7.1. The security of personal data processed by the Operator shall be ensured by implementing legal, organizational and technical measures necessary for full compliance with the requirements of applicable legislation in the field of personal data protection.

7.2. The Operator shall ensure the safety of personal data and take all possible measures to exclude access to personal data by unauthorized parties.

7.3. The User's personal data shall never, under no circumstances, be transferred to third parties, except in cases related to the execution of applicable legislation or if the subject of personal data has given consent to the Operator to transfer the data to a third party for the fulfillment of obligations under a civil law contract.

7.4. In case of identifying inaccuracies in personal data, the User may update them independently by sending a notice to the Operator's e-mail address: admin@tjt.pro with a note "Updating Personal Data".

7.5. The period of personal data processing is based on the attainment of the purposes for which the personal data were collected, unless another period is stipulated by the contract or applicable legislation.

The User may withdraw his/her consent to the processing of personal data at any time by sending a notice to the Operator's e-mail address: admin@tjt.pro with a note "Withdrawal of Consent to the Personal Data Processing".

7.6. All information that is collected by third-party services, including payment systems, means of communication and other service providers, is stored and processed by these persons (Operators). The Operator shall not be liable for the actions of third parties, including the service providers mentioned herein.

7.7. The prohibitions established by the personal data subject on the transfer (other than granting access), as well as on the processing or conditions of processing (other than access) of personal data authorized for dissemination shall not apply in cases of processing personal data in the state, social and other public interest as defined by applicable legislation.

7.8. When processing personal data, the Operator shall ensure confidentiality of personal data.

7.9. The Operator shall store personal data in a form that makes it possible to identify the personal data subject, not longer than required by the purposes of personal data processing, unless the period of personal data storage is established by applicable legislation, contract to which the personal data subject is a party, beneficiary or guarantor.

7.10. The termination of personal data processing may be conditioned by achievement of personal data processing goals, expiration of the personal data subject's consent, withdrawal of consent by the personal data subject or a request to terminate personal data processing, as well as detection of unlawful processing of personal data.

8. List of Actions Performed by the Operator with Personal Data Received

The Operator shall collect, record, systematize, accumulate, store, clarify (update, change), extract, use, transfer (disseminate, provide, access), depersonalize, block, delete and destroy personal data, as well as automated processing of personal data with or without receiving and/or transmitting the received information via information & telecommunication networks.

9. Cross-border Transfer of Personal Data

9.1. The Operator shall notify the authorized body for the protection of the rights of personal data subjects of its intention to carry out cross-border transfer of personal data prior to the commencement of cross-border PD transfer activities (such notice shall be sent separately from the notice of intention to process personal data).

9.2. Prior to submitting the above-mentioned notice, the Operator shall obtain relevant information from the authorities of a foreign state, foreign individuals, foreign legal entities to whom cross-border transfer of personal data is planned.

10. Personal Data Confidentiality

The Operator and other parties who have access to personal data shall not disclose or disseminate personal data to third parties without the consent of the personal data subject, unless otherwise provided for by applicable legislation.

11. Final Provisions

11.1. The User may obtain any clarifications on issues of interest related to the processing of his/her personal data by writing to the Operator's e-mail address admin@tjt.pro.

11.2. This document shall reflect any changes to the Operator's personal data processing policy. The Policy shall be valid indefinitely until it is replaced by a new version.

11.3. The current version of the Policy is publicly available at <https://tjt.pro>.
